

Workshop on File Inward Outward Software (FILIO) at NIC-Diu (UT of Daman & Diu)

A workshop for Inward/Outward software (FILIO) and ICT services offered by NIC-Diu was conducted on 10th March 2010 at Conference Hall, Collectorate, Diu. The workshop was strongly inspired by the District Collector Shri Sanjay Goel, IAS and keen interest taken by Shri Manoj Kumar Sahoo, IAS, Additional Collector, Diu. Kind guidance of Shri S. A. Khuba, TD & SIO, DD & DNH, motivated the idea.

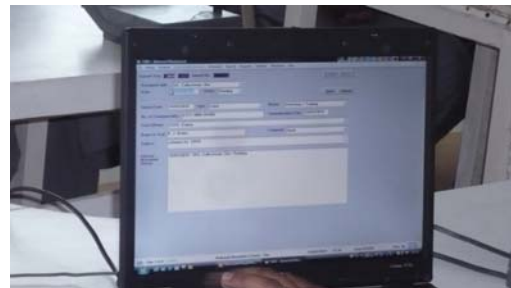

DIO, Jayesh H Dhandhukia and DIA Nitin Bamania demonstrating the software.

Headed by Shri Jayesh H. Dhandhukiya, DIO, NIC, Diu and demonstrated by Shri Nitinkumar N. Bamania, DIA, NIC, Daman, all the HODs of Diu district attended the workshop and expressed their keen willingness for the implementation of FILIO Software. Participants were also made aware about various basic ICT services offered by NIC such as Email, Web-Hosting and Digital Signatures etc. 100 percent participants marked their willingness on the feedback forms for immediate implementation.

FILIO comprises of basic Inward/Outward computerization with added internal movement a feature to track the document in few clicks. Incorporating strong search feature on various search parameters like period, sender's name, designation, communication number or subject. MIS reports include reports of varied types like full inward/outward registers to a specific day or period register, department, document type and language wise summary reports.

The Participants

The workshop concluded with the resolution to immediately start the implementation in departments.
