The proposal for setting up the Industrial Estate at Dabhel near Somnath Mahadev Temple for **Construction of Industrial Estate at Daman** was received from Goa, Daman & Diu Industrial Development Corporation, Daman in the year 1970. The same was proposed to be acquired with an urgency clause. Accordingly, Notification vide No.15-10-70-IPD dated 09/12/1970 was issued. The possession of the land was taken vide Notification No.15-10-70-IPD dated 22/05/1971 by making 2/3rd payment to few affected parties (Total Rs. 30,704/-). Later, the proceedings of the Land Acquisition were challenged, as per the Amendment of 1984 in the Land Acquisition Act. Due to pending litigation, the final award was not passed under the Land Acquisition Act, 1984. As per the Writ Petition No.3269 of 2017, order dated 22/06/2018 of the Hon'ble High Court Bombay, the following award is declared under section 23 Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Act, 2013.

1) LAND ACQUISITION PROCEEDINGS INITIATED IN 1970s:

- a) The Government of Goa, Daman & Diu had appointed the Collector, Daman to perform the functions of the Land Acquisition Collector U/s.3 (c) of the said Land Acquisition Act, 1894

- b) The Notification u/s 4(1) of the Land Acquisition Act, 1894 was issued vide **No. 15-10-70-IPD dated 09/12/1970** by the Under Secretary, Industries and Labour, Office of the Industries & Power Department, Secretariat, Panaji, Goa for public purpose namely construction of Industrial Estate at Dabhel, Daman. The notices of the notification were issued through publication in Official Gazette Series II No. 37 dated 11/12/1970.

- c) The Notification u/s 6 of the Land Acquisition Act, 1984 along with the survey description statement and a map showing the exact location of the land to be acquired was submitted by the Land Acquisition Collector, Daman. On the basis of the report, the Government issued a Notification u/s. 6 of the Land Acquisition Act, 1894 vide No. 15-10-70-IPD dated 22/05/1971 that land situated at Village Dabhel, Nani Daman is required for public purpose for **Construction of Industrial Estate at Daman**. The Notification u/s 6 of the Land Acquisition Act, 1894 was issued through publication in Official Gazette Series II No. 6.

The plan of the said land was kept for inspection at the office of the Collector, Daman and the Executive Engineer's Office, P.W.D, Works Division VII, Daman, at various places in Dabhel, Nani Daman. The Mamlatdar, Daman was issued direction to publish the said notification on site.

- d) The said land was proposed to be acquired under urgency clause as per Notification No.15-10-70-IPD dated 22/05/1971.
- e) The possession of the land was taken on 01/07/1971 vide Notification No.15-10-70-IPD dated 22/05/1971
- f) Based on the rates issued by the Office of the Mamlatdar, Daman, the estimate for the land acquisition was worked out at Rs. 60,000/-, and subsequently 2/3rd advance compensation amount was paid to few parties on 08/10/1971.
- g) It was later brought to the notice of the Government that the land was in dispute under the Daman Abolition of Proprietorship of Villages Regulation, 1962. The passing of the Final award was

hence, delayed. Some amount was even recovered from the parties who were earlier paid the advance 2/3rd compensation amount.

- h) The Land Acquisition Act of 1894 was later amended in 1984, and the passing of the Award was further delayed.
- i) Later, the Administration of Daman and Diu got separated from the Government of Goa, and the UT Administration had to start functioning from the scratch.
- j) In 23/12/2015, the Mamlatdar, Daman passed an order in the dispute of the said land under the Daman Abolition of Proprietorship of Villages Regulation, 1962.
- k) A Civil Writ Petition No. 5358 of 2017 was filed in Hon'ble Bombay High Court and later Civil Application No. 819 of 2018 was filed. The Hon'ble High Court vide order dated 22nd June, 2018 had ordered that the acquisition proceedings as per the Right to Fair Compensation and Rehabilitation Act, 2013 shall be completed within one year of the order. The earlier proceedings that were initiated in the year 1971 had been lapsed as per the Section 11A of the Land Acquisition Act of 1984. Hence, the proceedings and award has been passed as per the provisions of Right to Fair Compensation and Rehabilitation Act, 2013. Since, the said land had already been in possession of the GDDIDC for more than 40 years and that industrial activity had been on-going on the said land, the procedural formalities under section 4, 8, 11, 15, 16 and 19 are not required.

2) AWARD PROCEEDINGS AS PER THE RFCTLRR ACT, 2013

- a) **Plan and Survey:** For the purpose of declaration of award under Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Act, 2013, Joint measurement and demarcation was carried out by the Enquiry Office, City Survey and the Executive Engineer, Public Works Department, Daman.
- b) **True Area and Nature of the Land :** The area of the land proposed to be acquired and under the possession of GDDIC is - 181219.00 Sq. Mtrs. **Annexure – I.**
Further, the said land was classified as Agricultural land (1.21 Hectare of Kyari Land and 17.5835 Hectare of Jarayat Land). The Agriculture land under acquisition is 18.1219 Hectares. And Government land is 29464.00 Sq. Mtrs. (Total Area is 210683.00 Sq. Mtrs.).

c) **Other Aspects** : There is no Temple, Church, Mosque, burial ground etc. on the land under acquisition. Hence, religious sentiments of any community will not be hurt on account of acquisition of the said land.

d) **Market Value:** Since, the compensation is calculated as per the RFCTLRR Act, 2013, the formula as prescribed under section 26 of the RFCTLRR Act, 2013 has been followed. There exists no distinction between the Jarayat and Kyari type of Agricultural Land, hence, uniform rate of Agricultural Land has been considered. The market value was assessed and determined as per the details of sale deed/agreement registered by office of the Sub-Registrar. The average sale price was determined taking into account the sale deeds or the agreements to sell registered for similar type of area in the near village or near vicinity area during immediately preceding three years of the year in which such acquisition of land was proposed to be made. For determining the average sale price, one half of the total number of sale deeds or the agreements to sell in which the highest sale price had been mentioned were taken into account. The committee constituted to assess and determine the market value of lands to be acquired for the above mentioned purpose and the details of sale deed/agreements registered by Office of the Sub-Registrar since last three years were called. Hence, the market rate was arrived at Rs. 88,000/- per 100 Sq Mtrs. (higher than the present circle rate of 87,610/-).

e) **Calculation of the Compensation:**

In 1971, some of the parties were made advance $\frac{2}{3}$ rd compensation payment. Also, some % of the amount was also recovered from few parties. Since, it was impossible to make comparison between the rates of compensation calculation of 1971 and rates of 2019, and to simplify the procedure, listing of % payment made to and % Payment recovered from parties has been done. The Net Payable amount is arrived at, after deducting the % amount that was already paid to the parties on Pro-Rata Basis.

Thus, the total compensation of the land has been worked out to be Rs. 48,53,20,985/- (Rupees Forty Eight crore Fifty Three lakhs twenty thousand Nine hundred Eighty Five only) including 100% Solatium charges of the cost of land under acquisition.(As per Annexure-I)

3) PAYMENT OF COMPENSATION TO INTERESTED PERSONS
