In exercise of the powers vested in him, the Administrator of Daman & Diu and Dadra & Nagar Haveli is pleased to notify the UT Plan Scheme, namely, **“Incentive to girl students for pursuing Diploma/Graduation and Post Graduation Professional Courses”** as detailed below:-

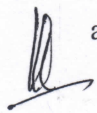

1) Objective: -To provide financial benefits to girl students who are pursuing Diploma/Graduation and Post Graduation Professional courses.

2) Salient Features

- (i) There are approximately 1000 students appearing for the HSC examination every year in the UT of Daman & Diu and there is only one Government College in Daman where the students of this UT can pursue graduate studies. Further there is only one Professional Educational Institution where the students can pursue studies in BDS. Secondly, number of seats being allotted in different educational Institutions on all India basis by the Government of India for Engineering and Medical Courses is also very less in number.
- (ii) Thus the students have limited opportunity to pursue higher studies, more so because they have to move outside the UT and most often have to pay high fees in other private institutions. The situation is even more acute in the case of girl students because parents are reluctant to spend large amount of money on girls education due to economic constraints. In these circumstances the GER for higher studies in the UT of Daman and Diu is about 3.91% as per 2001 census, which is very low compared to the national average of 12.4%.
- (iii) Considering these facts, the UT Administration of Daman & Diu has decided to promote women education by providing monetary assistance to girl students who are pursuing Diploma/Graduation and Post Graduation courses in various professional and technical institutions in the UT of Daman & Diu as well as within India only.

- (iv) The scheme Incentive to girl students who are pursuing Diploma/Graduation and Post Graduation professional courses is not applicable to those girl students who are pursuing Diploma/Graduation and Post Graduation in the institutions outside of India.
