All ANMs other than specified in the facilities are shown here

PLEASE NOTE: Once the HRIS is functional, State should use it for generating this information.

Note:

1. States need to fill information facility-wise and then consolidate for the State.
2. HR categories and facility types should be identical in both sheets (Summary of facility HR and Facility wise line listing of HR)
3. Order of facilities for each category should be the same as provided in the Service Delivery format (under mandatory disclosure no.2)
4. State may add / remove position categories as per local context - all HR categories have to be captured
5. In staff designation, also mention if for any specific program / project (e.g. SNCU/ NBSU/ NRC, Telemedicine, NCD etc.)
